WORK EXPERIENCE

December 2019 – August 2020

Meijer Pickup, Meijer, Lewis Center, Ohio

- Led a department of 10 people, communicating openly with every department in the store
- Worked with inventory systems to manage up to 60 orders a day, and deliver each in under five minutes
- Held lowest average wait time of all Meijer stores in Ohio, and one of the fastest pick times in the store

Summer 2019

Code Coach, theCoderSchool, Westerville, Ohio

- Taught kids (age 7-10) the fundamentals of coding virtually over Zoom and in a classroom
- Created and taught, with other coaches, week-long summer camps to older students (age 10+) about topics such as mobile app development, Python and AI.

SKILLS AND INTERESTS

- Experience working with HTML, CSS, JavaScript, React, Python, Java, C++, MySQL, and CMD/Terminal on PC and Mac/Linux
- Version Control with Git and GitHub/GitLab
- Agile Methodologies
- Projects:
 - Web-Based Simon Says Game (JavaScript)
 - Quiz Game made using Python (OOP, GUI, API's)
